

AMY BEE SAMPLE REPERTOIRE

They can't take that away from me
Why don't you do right
Get happy
Diamonds are a girls best friend
This can't be love
That man
Dream a little dream
The lady is a tramp
It's too darn hot
All of me
Ain't misbehavin'
It's alright with me
It's a good day
I only have eyes for you
At last
I got rhythm
Let's do it let's fall in love
Perhaps perhaps
All of me
Blue Moon
Every time we say goodbye
What a difference a day makes
Moon River
Girl from Ipanema
Feeling good
When I fall in love
My funny Valentine
Cheek to cheek
